

Brand : RHEEM, U.S.A.
Name : Storage water heater
Item Code : RCY 15
Designer :
Color / Finish: White
Dimensions : Overall (LxWxH in cm)
39.5 x 39.5 x 33.8

Product info:

- Capacity: 15 liters
- High impact resistance ABS body for added durability
- Exclusive vitreous enamel coating to resist corrosion in inner tank
- Self-sacrificing resistor magnesium anode rod to counter aggressive water and prolong lifespan of storage water heater
- High density CFC free polyurethane foam with epoxy coated jacket for superior heat retention to reduce heating time and enhance energy savings
- Pressure relief valve with built in check valve to prevent excess build-up pressure in inner tank
- Adjustable immersion thermostat with thermal cut out to avoid overheating and prevent scalding
- Enamel water connection to protect pipes from rust
- On/off indicator lights for added safety to indicate operating status of water heater
- High-performance Incoloy 840 immersion heating element to provide fast heating, protect heating element from rust, and withstand high temperature

Flushing of pipe must be done before fittings are installed. Failure to do so voids the warranty.

Follow cleaning instructions and avoid using any harmful chemicals.

All information is for reference only. Installation shall always be based on the specs provided with actual delivered items.
