## About Haworth

Founded by G.W. Haworth in 1948, Haworth is a 2-billion privately held global leader in the contract furnishings industry. What began as humble roots has grown into a worldwide company with a focus on Organic Workspaces that help people perform their best.

Over the years, the company has grown and evolved, investing in research, design, and acquisitions that expand the brand's portfolio and network to meet changing market dynamics. Haworth aligns their strategies to ensure they're providing their customers with the workplace knowledge, innovation, design, and global expertise required to enable their success.
